2 OG dealing with this topic
Based on a multi-actor approach

TN = the solution

From the concept

To reality

- The TN SheepNet allowed Connexion between :
- 14 countries (7 partners + 7 other countries during the project)
 - 19 national networks (including 5 OGs)

SheepNet – a Knowledge Reservoir by farmers to farmers

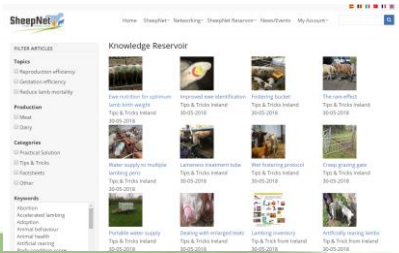

16 practical solutions selected by French farmers - adapted to their situations

42 practical solutions collected by SheepNet and proposed by the different countries

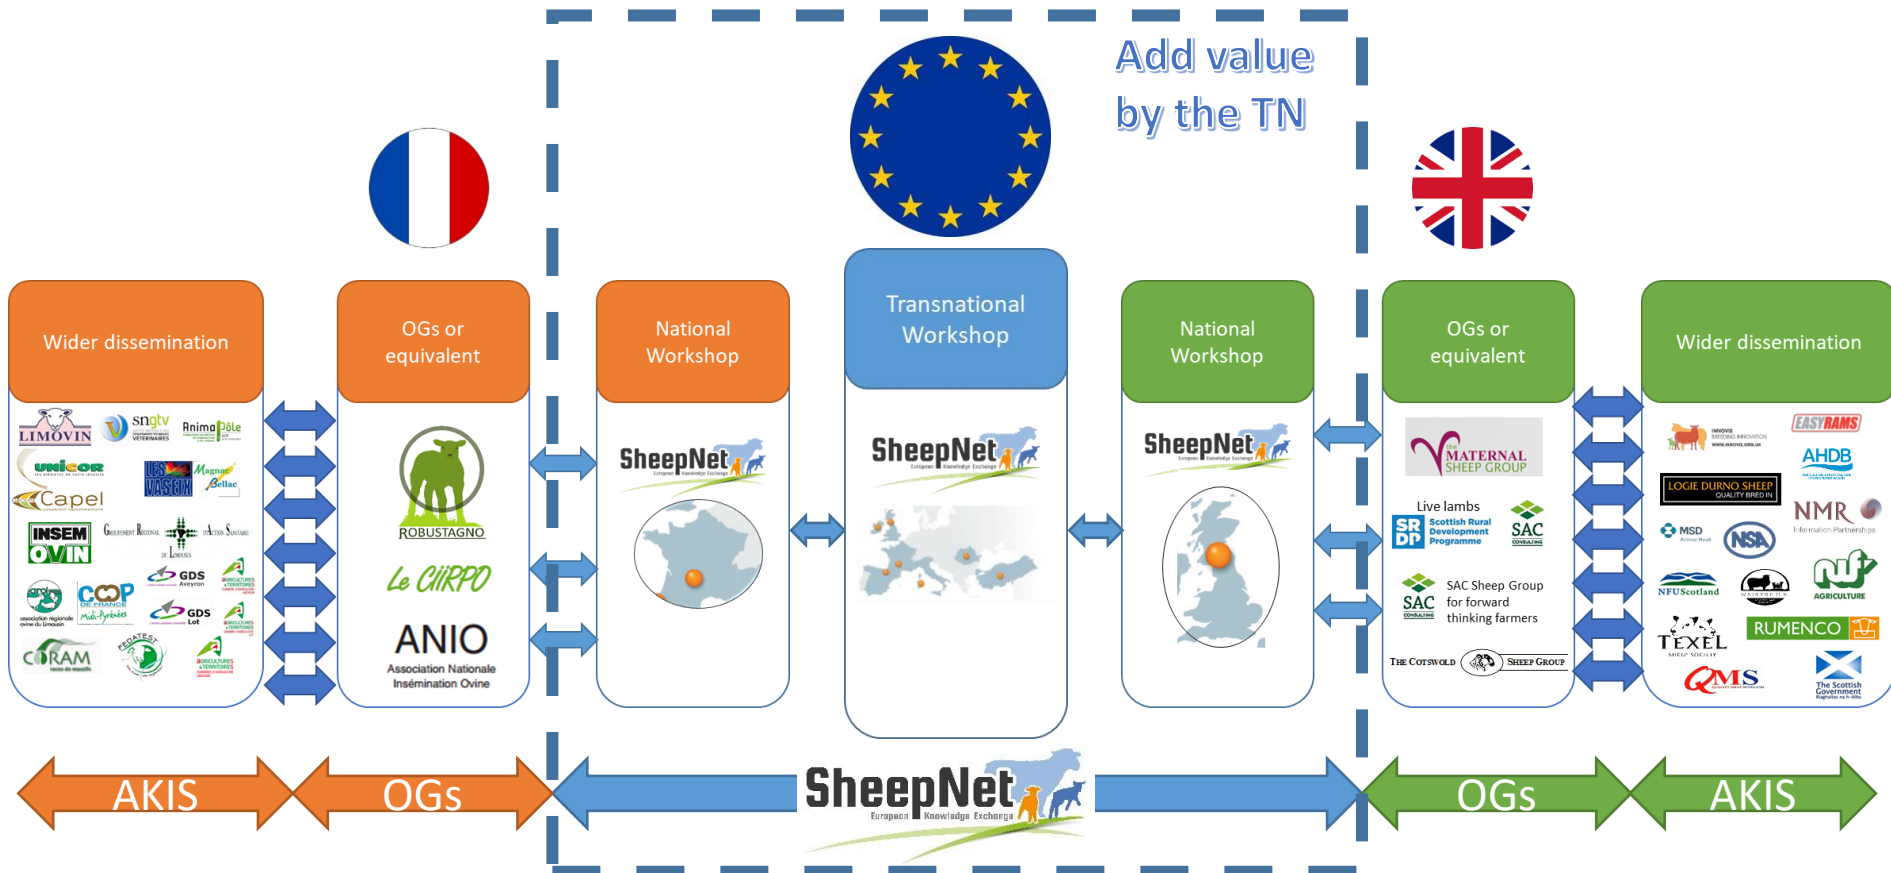

All solutions available online

Logos for ANIO, Le CIIRPO, and ROBUSTAGNO, which are associated with the practical solutions provided.

A set of social media icons including LinkedIn, Twitter, Facebook, WhatsApp, and YouTube, indicating online availability and news dissemination.

TN and OGs accelerate the flow of knowledge across EU

TN and OGs facilitate the transfer of practical solutions all over EU by connecting AKIS thanks to the multiactor approach and to the National Network Facilitator

Thank you !
